

Season Update

Things are really coming together for our upcoming season and there are a few items we would like to share!

OLK House League begins on Monday, May 6th at 6:00pm

You will hear from your coach the week leading up to our first day so your player will know which team they are on and who their coach is. Please go into your registration and ensure that your phone number is listed, or that you regularly check the contact information that was given.

Player registration closes on April 22, 2024.

If you know anyone that is interested in playing please encourage them to get registered ASAP!

Teams will be created soon

Please make sure that you have paid your registration fees so that your player is added to a team. Registration is not final until payment is received.

All brand new players in U7 and U9 age categories can receive a free stick and goggles

Thanks to generous donation from BMO Nesbitt Burns - Mayo and Associations and the support from Second Century Source for Sports! Players will also need a mouthguard and appropriate shoes to complete their equipment requirements. Second Century has these items for purchase if you choose.

- ★ In order to receive a stick, please make sure your registration is paid online and visit Second Century with confirmation of your payment/registration.
- ★ If your brand new player is in the U11, U13 or U15 age division and the cost of equipment is a hindrance to her ability to play, please send an email to OrilliaLKFieldlacrosse@gmail.com. We would like to help

Rep Teams have begun training

Tryouts are coming very soon (before the start of the house league season). If your player is interested in playing rep, please register them in the system for the Rep program as soon as possible. No need to make payment until teams are made. If you have questions about the Rep program please email us. Those registered in rep should have been informed about Skills Sessions happening now.

The Orillia Lady Kings Field Lacrosse program is run entirely by volunteers

We have had an increase in players registered this year and require more volunteers to run the program smoothly. If you are able to volunteer your time to be a house league coach or ref please contact us. You do not need to be a lacrosse expert, but you do need to be good with kids and have a Vulnerable Sector Check if over 18yrs. The majority of our house league coaches are from our wonderful U19 rep teams. If you are a U19 player and haven't been in touch with Denise regarding coaching, please email directly to Denise_Lynch@hotmail.com. We will be having a coaches meeting on Thursday, April 25th at 7:30 at Rotary.

Business Sponsorships

Business sponsorships are what makes this program feasible and affordable to so many players. If you or your business is interested in sponsoring a house league team (\$400) or a rep team (\$600) this year, please contact our Director of Sponsorship, Nicole Lynch Marwick at nlynchmarwick@gmail.com. Your business name will be advertised on team shirts and will receive a great deal of coverage in the Orillia Matters Online newspaper. You will also feel good about supporting the development of stellar local athletes.
